**Double success for BePink at the GP de la Courtine.
Doris Schweizer wins on her homeland's roads, followed by Malgorzata Wojtyra.**

Yesterday, in Switzerland, BePink achieved another important success.

Doris Schweizer won the Gp de la Courtine.

All the girls, directed by the vice sporting director Giuseppe Dioguardi, performed spectacularly well.

The race was a 75 km long one, with lots of ups and downs. Half way through the race, nine athletes managed a breakaway and, thanks to a good teamwork, they accumulated a bit of advantage. Among them there were two athletes with BePink's jersey: Malgorzata Wojtyra and Doris Schweizer.

Right during the final few kilometers, Doris attacked and managed to get to the finishing line all by herself, throwing her arms in the air.
Malgorzata won the final group sprint and finished second.

Another BePink athlete finished the race in the top ten: the young Daniela Levi, who placed 10th.
