

Comunicato stampa

BePink at the Sei Giorni delle Rose: Malgorzata Wojtyra and Georgia Williams are ready to be the protagonists of this race.

From the road to the track. BePink carries on its multidisciplinary work: two athletes were selected to participate in this prestigious race on the tracks of Fiorenzuola.

The “Sei Giorni delle Rose” will start this evening. It’s an important international race, which Malgorzata herself won last year: the Polish athlete will race wearing the number 1, but she will not be alone. One of her teammates will also participate in the race wearing BePink’s jersey: it’s Georgia Williams, the young but very strong athlete from New Zealand. Georgia just performed very well during the Thuringen Rundfahrt, she ranked 8th in the general classification and she finished 3rd in the young athletes’ classification. She’s at her debut in the élite category.

Both athletes will take part in the omnium race: it’s a difficult discipline, and the general classification is calculated after six different races specialties, such as the points race, individual pursuit, scratch, elimination race, flying start time trial and 500 m time trial. The first of these races will take place this evening at 8 pm.

Both athletes want to be protagonists of this event, racing with dedication, passion and determination.
