Giro del Trentino: a great performance for BePink

Dalia, Georgia, Doris, Noemi, Simona and Alice ruled the team time trial.

BePink's athletes prevailed in the team time trial race. This is a true victory for the whole team.

Dalia Muccioli, Georgia Williams, Doris Schweizer, Noemi Cantele, Simona Frapporti and Alice Algisi raced remarkably well, as a strong, cohesive group. A great performance and an even greater reward for the team directed by Sigrid Corneo. Dalia Muccioli also won the hot pink jersey of the leader of the general classification for this first half stage, as well as the points one and the young athletes' one.

The race was 11.5 km long, from Revò to Lauregno, with a steep final climb. The second half of this first stage of the Giro del Trentino will take place this afternoon, from Termon di Campodenno to Termon di Campodenno.
